Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [*EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212*]

The East Valley Consortium Special Education Local Plan Area in San Bernardino County, henceforth referred to as the East Valley SELPA, was formed under authority of Sections 56195 - 56208, 56240 - 56245 of the State of California Education Code and Title 5, Section 3000, and is the result of the Master Plan for Special Education as approved by the California Department of Education, henceforth referred to as CDE.

The East Valley SELPA is a multi-district SELPA composed of five school districts. In addition the San Bernardino County Superintendent of Schools East Valley Operations, henceforth referred to as SBCSS Ev-Ops, provides services as agreed to by the school districts. The school districts, or LEAs, that comprise the East Valley SELPA are Colton Joint Unified School District, Redlands Unified School District, Rialto Unified School District, Rim of the World Unified School District, and Yucaipa-Calimesa Joint Unified School District.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [*EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)*]

The SELPA Chief Administrative Officer, through the utilization of SELPA staff and appropriate committees, carries out the activities and duties assigned by the East Valley SELPA Board of Directors to coordinate the SELPA and implement the Local Plan. The SELPA Chief Administrative Officer facilitates regular meetings of the East Valley SELPA Steering Committee in order to transmit information for implementation of the directives and policies of the Board of Directors and for the development of procedures. The Steering Committee is composed of the Special Education Directors of each participating LEA of the East Valley SELPA, and the Area Director of SBCSS-East Valley Operations. The LEA special education directors are responsible, as individuals, for the operation

of school district programs to ensure that all eligible children with disabilities receive appropriate services. In addition, the East Valley SELPA Community Advisory Committee (CAC) acts in an advisory capacity to the SELPA Chief Administrative Officer to report on issues and activities of the CAC for review and consideration, and to participate in the development, amendment, and review of the Local Plan.

The SELPA provides a coordinating function and serves as staff to each of the groups. Thus, a smooth and efficient operation of the administrative structure is achieved to assure a successful implementation of the Local Plan for Special Education in accordance with the policies adopted by the SELPA Board of Directors.

Changes to the governance structure of the East Valley SELPA may occur with the addition or withdrawal of an LEA in accordance with Ed Code 56195.1 and all relevant statutes. The following shall apply for LEAs being added to the East Valley SELPA:

The SELPA Steering Committee may be consulted. The SELPA Chief Administrative Officer may provide such policy to the Board of Directors with the recommendation for approval, disapproval, or modification of proposed policy.

- a. Describe the SELPA's allocation plan, including the process or procedure for allocating special education apportionments, including funds allocated to the RLA/AU/responsible person pursuant to *EC* Section 56205(b)(1)(A).

AB 602 base state funds and special education local property tax are distributed to member districts. Distribution is based on multiplying the statewide base rate by each districts' highest P-2 ADA from current year, prior year, or the second prior year. The PS/RS portion is set aside and is included in the SELPA operations budget. Low Incidence funds are distributed to the member districts based on the prior year's unduplicated CALPADS count of students whose primary or secondary disability in grades K – 12 is one of the low incidence disabilities. 15% of the funds remain at the SELPA to purchase low incidence equipment and materials requested by member districts. Out-of-Home funds are distributed to member districts based on the sum of cumulative enrollment for foster youth multiplied by the foster youth rate, the average daily population at short-term residential therapeutic program (STRTP) multiplied by the STRTP rate, and pupil count data in community care, intermediate care, and skilled nursing facilities multiplied by their respective current rates.

revenue allocation. Federal grants which include the Local Assistance Entitlement with the private school proportionate share, preschool/infant services grants and the State infant discretionary funds are passed directly to the districts based on special education pupil counts. The SELPA also receives supporting inclusive practices and alternate dispute resolution grants. SELPA-wide committees determine how these funds are spent. State funds and federal grants for mental health services are provided directly to the districts from CDE.

The AU staff member responsible for adhering to the EV SELPA fiscal allocation plan is an accountant in the Internal Business department of the SBCSS Business Services Branch.

b. YES NO

If the allocation plan specifies that funds will be apportioned to the RLA/AU/AE, or to the SELPA administrator (for single LEA SELPAs), the administrator of the SELPA, upon receipt, distributes the funds in accordance with the method adopted pursuant to *EC* Section 56195.7(i). This allocation plan was approved according to the SELPA's local policymaking process and is consistent with SELPA's summarized policy statement identified in Local Plan Section B: Governance and Administration item B-4. If the response is "NO," then either Section D should be edited, or Section B must be amended according to the SELPA's adopted policy making process, and resubmitted to the COE and CDE for approval.

SELPA: EAST VALLEY CONSORTIUM

Fiscal Year: 2024-25

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
