Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

The East Valley Consortium Special Education Local Plan Area in San Bernardino County, henceforth referred to as the East Valley SELPA, was formed under authority of Sections 56195 - 56208, 56240 - 56245 of the State of California Education Code and Title 5, Section 3000, and is the result of the Master Plan for Special Education as approved by the California Department of Education, henceforth referred to as CDE.

The East Valley SELPA is a multi-district SELPA composed of five school districts. In addition the San Bernardino County Superintendent of Schools East Valley Operations, henceforth referred to as SBCSS Ev-Ops, provides services as agreed to by the school districts. The school districts, or LEAs, that comprise the East Valley SELPA are Colton Joint Unified School District, Redlands Unified School District, Rialto Unified School District, Rim of the World Unified School District, and Yucaipa-Calimesa Joint Unified School District.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)]

The East Valley SELPA Board of Directors is the governing board of the East Valley SELPA. The East Valley SELPA Board of Directors is composed of the Superintendents from each participating school district and along with the Assistant Superintendent of Student Services for SBCSS. Members of the East Valley SELPA Board of Directors are responsible to their respective local school Boards. The superintendent of SBCSS serves as the chair of the Board while the East Valley SELPA Chief Administrative Officer serves as the secretary to the Board.

The SELPA Chief Administrative Officer, through the utilization of SELPA staff and appropriate committees, carries out the activities and duties assigned by the East Valley SELPA Board of Directors to coordinate the SELPA and implement the Local Plan. The SELPA Chief Administrative Officer facilitates regular meetings of the East Valley SELPA Steering Committee in order to transmit information for implementation of the directives and policies of the Board of Directors and for the development of procedures. The Steering Committee is composed of the Special Education Directors of each participating LEA of the East Valley SELPA, and the Area Director of SBCSS-East Valley Operations. The LEA special education directors are responsible, as individuals, for the operation

of school district programs to ensure that all eligible children with disabilities receive appropriate services. In addition, the East Valley SELPA Community Advisory Committee (CAC) acts in an advisory capacity to the SELPA Chief Administrative Officer to report on issues and activities of the CAC for review and consideration, and to participate in the development, amendment, and review of the Local Plan.

The SELPA provides a coordinating function and serves as staff to each of the groups. Thus, a smooth and efficient operation of the administrative structure is achieved to assure a successful implementation of the Local Plan for Special Education in accordance with the policies adopted by the SELPA Board of Directors.

Changes to the governance structure of the East Valley SELPA may occur with the addition or withdrawal of an LEA in accordance with Ed Code 56195.1 and all relevant statutes. The following shall apply for LEAs being added to the East Valley SELPA:

- a. An LEA may request to participate in the East Valley SELPA at any time with participation to begin July 1 of the following fiscal year.

- g. The new LEA shall participate in the governance of the SELPA in the same manner as other LEAs of the SELPA.
- h. The new LEA shall participate in state and federal funding for special education and will receive the funding in the same manner as other LEAs of the SELPA as specified in the East Valley SELPA Fiscal Allocation Plan

The following shall apply for LEAs withdrawing from the East Valley SELPA:

a. The Superintendent of the LEA requesting withdrawal must submit written notice, with details of the plan to withdraw, to the SELPA Chief Administrative Officer at least one year and one day prior to the proposed effective date of the implementation to withdraw. Withdrawals can only occur on July 1 of any given year. SELPA East Valley Consortium SELPA Fiscal Year 2023-24

- c. The SELPA Chief Administrative Officer and/or SELPA staff will review the notice and make a written recommendation, including a thorough analysis of governance or fiscal implications caused by such proposed action, within 60 days of receipt of the notice.
- d. The SELPA Board of Directors will receive copies of the written recommendation at least 10 days prior to the item appearing on an agenda.
- e. The SELPA Board of Directors will take action to approve or disapprove the LEA withdrawing from the SELPA within 100 days of notice receipt.
- f. If approved, the withdrawal will become effective on July 1 of the next fiscal year.
- g. In addition, any due process costs associated with a withdrawal from SELPA or program transfer within the SELPA shall be born entirely by the district initiating the change.
- 3. Describe the SELPA's regional policy making process. Clearly define the roles of a multi-LEA governing body, or single LEA administration as applicable related to the policy making process for coordinating and implementing the local plan: [EC 56195.7(i)(j)(1)(2)]

The East Valley SELPA Board of Directors is responsible for reviewing each proposed policy and may approve, disapprove or request the revision of policies presented to it. The Board of Directors may also initiate policy development. It is the responsibility of the Board of Directors to adopt necessary policies for the operation of SELPA activities, including, but not limited to, the implementation of the Local Plan.

The SELPA Chief Administrative Officer has the responsibility to review and propose policies for the operation of special education programs and services within the SELPA. The SELPA Steering Committee may be consulted. The SELPA Chief Administrative Officer may provide such policy to the Board of Directors with the recommendation for approval, disapproval, or modification of proposed policy.

In addition, policy making responsibilities are fulfilled by member school district local boards of education. Each SELPA member district governing board of education has the responsibility to assure there are program options available to all students with disabilities within its attendance area. LEA governing boards of education make policy and procedural decisions for programs and services operated by their respective districts. LEAs are responsible for the compliance of programs which they operate.

Participating Local Educational Agency Identification

Enter the California Department of Education (CDE) issued county/district/school code (CDS) and the full name for each local educational agency (LEA) participating in the Local Plan. The LEA names will automatically populate the remaining attachments. Pursuant to California Education Code (EC) sections 56205(a)(12)(D)(iii) and 56195.1(b) and (c). SELPAs with one or more LEAs, or those who join with the county office of education (COE) to submit a Local Plan to the CDE for consideration of approval must include copies of joint powers agreements or contractual agreements, as appropriate.

In the table below, enter the CDE issued CDS code and the official name as listed in the California School Directory https://www.cde.ca.gov/SchoolDirectory/ for each COE, District, Joint Powers Authority (JPA), and SELPA participating in the Local Plan and receiving a special education funding allocation for services and programs provided to students with disabilities.

SELPA: EAST VALLEY SELPA

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. EC Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

Fiscal Year: 2023-24

- 1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
- 2. Administrative costs of the plan. (These costs are tracked in the function field.)
- 3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
- 4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
- 5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
- 6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
- 7. Use of property taxes allocated to the SELPA pursuant to EC Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
