(909) 708-8470

1824 Commerce Circle

San Bernardino, CA 92408

Paid training, work, room & board for **young adults ages 16 – 24**. The program operates centers throughout California, providing on-the-job training and skills for protecting and restoring California's environment, and responding to disasters.

**Education and Training:** Corps members advance their education as they work in the CCC, completing the requirements for a GED or high school diploma, or earning scholarships for additional technical training and college.

**Training:** The CCC experience begins with a Basic Orientation and Training. Once complete, members are assigned to project crews and begin the CCC's Core Training Program. The CCC offers Specialized Training in job-specific areas that enhance a Corps member's learning opportunity and skill level.

**Education:** Corps members are expected to advance their education in the CCC's education program. Corps members are required to complete a standard academic assessment, work towards a high school diploma and to attend other advanced courses after the workday.

**Career Pathways:** The CCC Career Pathways consists of project work, education and training in specific career paths leading to related occupational options.

**Scholarships:** Corps members can simultaneously earn two types of scholarships – the CCC Scholarship and the Corps Network's AmeriCorps Education Award. Both help get the training and education needed for a job, career, or other endeavor of choice.
